TUITION REFUND PLAN

The Tuition Refund Plan (TRP) is mandatory for all families selecting payment schedules Option 2 and Option 3 and optional for families choosing payment schedule Option 1. The premium is calculated at 1.1% of the total tuition fee, less any financial assistance awarded, plus Ontario sales tax of 8%. To change your TRP selection, please contact the finance office to request the change form no later than the end of May. Please note that verbal requests will not be accepted.

Families on the Option 1 payment schedule and who **opted out** of the TRP must ensure that their account is fully paid by the June 28th due date. If full payment is not received by the due date, TRP will be applied automatically and charged on the August statement of account.

RESPONSIBILITY FOR PAYMENT OF FEES

- **Tuition fee payments are to be made according to our published due dates as shown on this fee table.**
- Parents or individuals accepting financial responsibility are accountable for the full fees if students are dismissed or withdrawn during the school year.
- Monthly account balances not paid by the indicated due date will be subject to an interest charge of 1.5% per month (18% per annum).
- **Students will not be admitted to the School in September unless the fees are paid up to date as per this fee table.**
- The School reserves the right to exercise sanctions, which may include suspension, as it deems necessary for the collection of overdue accounts.
- A fee of \$50 per incident will be incurred for NSF (non-sufficient funds) payments.

PAYMENT METHODS

The School prefers to receive payments electronically (EFT, credit card, bank wire transfer and SnapPay) but will also accept payments by cash, cheque, bank draft or money order. Please consult the payment methods document for additional instructions.

To change your payment schedule, please contact the finance office to request the change form no later than the end of May. Please note that verbal requests will not be accepted.

SCHOLARSHIP & BURSARY CREDITS

A returning student may be withdrawn on or before April 15th without penalty. A new student may be withdrawn on or before April 15th without penalty with the exception of the initiation fee. If a student is withdrawn during the period of April 16th through June 1st, the family is liable for the preliminary instalment and the annual facilities fee (applicable to returning students).
