## Payment Methods

### Electronic Funds Transfer (EFT)

Payments can be made electronically through internet or telephone banking or most Canadian financial institutions. When making payments please use your child's 4 digit student ID number as the account number. Refer to the top of your child's monthly statement for their ID number, and note that each child has their own unique ID number, so please ensure that payment is made for each student separately. **\*If this is a new enrolment**, please first submit the signed enrolment agreement to Maxwell McEachern in the admissions office at [enrol@tcs.on.ca](mailto:enrol@tcs.on.ca) along with a request for a 4-digit ID number.

### Credit Card (VISA, MasterCard and American Express)

TCS has partnered with Plastiq to provide a secure method for credit card payment. To make a payment via Plastiq, you may visit [www.tcs.plastiq.com](http://www.tcs.plastiq.com), or simply click the "Pay Now" button found on the parents page of the TCS website: [www.tcs.on.ca/parents](http://www.tcs.on.ca/parents). For those with an iPhone, you may opt to download the free Plastiq mobile app from the Apple App Store. Please note that Plastiq applies a nominal fee depending on the card type and the transaction amount; non-Canadian cards may be charged a higher fee. To ensure that your payment arrives in a timely manner, please keep in mind that it may take up to five business days for the School to receive notification of your payment. **\*If this is a new enrolment**, please first submit the signed enrolment agreement to Maxwell McEachern in the admissions office at [enrol@tcs.on.ca](mailto:enrol@tcs.on.ca) along with a request for a 4-digit ID number.

### Wire Transfer

Please contact your account representative listed below for the School's bank details. When making payments please **ensure your child's name appears on the transfer notice** from your bank. Banks may deduct a transaction fee from the amount of the transfer.
